Oliver Smith Photography for WN Interiors

# Welcome

Ever thought that buying original art might be too expensive? Or that you wouldn't know where to start when choosing a piece?

With original art to suit every taste, every style and every budget, we're here to help.

We believe passionately that owning art will change your life and transform your space. Also, when you buy from Artfinder, you directly support artists around the world.

This issue is packed with inspiration to help you find something you'll love, from one-of-a-kind statement paintings to collectible sculptures, signed-and-numbered limited edition prints, photos and digital art in a range of styles and prices.

What will you discover?

on Paper  
22.35 x 27.94cm  
**£53**

“ One of the challenges we face as interior designers is avoiding the pitfall of contrived perfection. **Our living spaces should reflect our lives, habits and positively impact on how we feel.** ”

How do we achieve authentic reflections of ourselves? Original artwork can provide the solution - it can help mould initial ideas and introduce authenticity early into the design process. ”

**Sarah Woadden**

# Painting

*Portrait Study 01 / 06 - 16*  
Acrylic on Canvas, 100 x 100cm, £721
